

# Life Story (Jazz Hop Mix)

## Angie Stone

Sittin' here wondering, pondering  
Every little thing  
And I'm lookin' back, lookin' at  
All the time I been searching, ooh[Chorus: 1]  
I ain't scared to tell you  
That I'm ready for you  
Open the door  
More to life than livin'  
I want you to come into my heart[Chorus: 2]  
Cause this is my life story  
And it's for you only  
Give you everythingCome into my love story  
Give you all the glory  
Give it up to youNo one knows what tomorrow holds  
Or if it ever comes  
So I'm gonna take my chances, baby  
You're the only one, ooh[Chorus: 1][Chorus: 2]Won't have another day without you in my life  
There ain't no other way for us than love[Chorus: 2]This is my life story  
And it's for you only  
My life, my life,  
My life storyThis is my life story  
And it's for you only  
My life, my life, my lifeThis is my life story  
And it's for you only  
Give you everythingCome into my love story  
Give you all the glory  
(Give it up to you, oh)  
'cause this is my life story  
And it's for you only
