

Loveless

Rod Stewart

What'cha doin', what'cha doin' what'cha doin' right now?
Have you found another lover? Are you out of town?
I won't leave another message right after the tone
?Cause I know you got the others and you still don't call
There's no magic, no sunshine
No rainbows in my life
Look at all the things you took from me
Baby I'm loveless
Feeling so hopeless
Feeling so foolish
For being so helpless
Baby I'm loveless
It's like you could care less
If you did you'd come right back to me
Tell me what I'm gonna do about this feeling inside
Got me tossing' and turning' in the middle of the night
Like an animal struggling in a trap
?Cuz I can't go forward and I can't go back
There's no springtime
Just winter
And each night gets colder
Look at all that pain you took from me
Baby I'm loveless
Feeling so hopeless
Feeling so foolish
For being so helpless
And the sun don't shine
It's just wintertime
And every night there's no one in my life
Take a look at what you took from me
Baby I'm loveless
Feeling so hopeless
Feeling so foolish
For being so helpless
