English

-

It doesn't seem like I'm your person
It doesn't seem like we're lovers
Let's break up now, let's stop, let's separate
If you say those words, what do I do?

Like a person who doesn't know me
Like one person who had absolutely nothing
If you forget it all, what should I do from now on?
I loved only you

You're a bad woman~
You're a bad woman~
In a man's heart, in a man's two eyes
Tears are coming out

You're a bad woman~
You're a bad woman~
I loved you, there was no other than you, but
In the end you're leaving me
You're a bad woman

Like a person who doesn't know me
Like one person who had absolutely nothing
If you forget it all, what should I do from now on?

I loved only you

Youâ€™re a bad woman~

Youâ€™re a bad woman~

In a manâ€™s heart, in a manâ€™s two eyes

Tears are coming out

Youâ€™re a bad woman~

Youâ€™re a bad woman~

I loved you, there was no other than you, but

In the end youâ€™re leaving me

Youâ€™re a bad woman

Because of you, I was happy

Because of you, I was in love

Your everlasting love, that it was only for me

Was what I believed butâ€¦

Youâ€™re a bad woman

Iâ€™m a bad man~

Iâ€™m a bad man~

Memories with you, this love of ours

Iâ€™m now trying to erase them all

Loving only me, the you Iâ€™m yearning for

I loved you, I have nothing but you

Leaving me now, youâ€™re a bad woman..
