Wait in the Dark

Memory Tapes

From out in the hall, she said
we can't go on like this anymore, not at all
So why don't you crawl into bed turn out the light and away from it all,
So what did you want me to say,
I just don't feel like that anymore, not at all,
wait in the dark, stand in the hall,
i was afraid she'd never call,
but i want her to stay up for the whole night
and if we touch after i'm wake, you feel the mound, i never say
and i want her to stay up for the whole night,
this is it don't make me wait,
this is it don't make me wait,
this is it don't make me wait, you're saving up for tomorrow,
and i say it's too late,

This is it don't make me wait,
This is it don't make me wait,
This is it don't make me wait, you're saving up for tomorrow and I say it's too late,
