Mr. Curiosity

Jason Mraz

Hey, Mr. Curiosity

Is it true what they've been sayin' about you?

Are you killin' me? You took care of the cat already

And for those who think it's heavy

Is it the truth or is it only gossip? Call it mystery or anything

Just as long as you'd call me, I sent the message on

Did you get it when I left it? See this catastrophic event

It wasn't meant to mean no harm

But to think there's nothing wrong is a problemI'm looking for love this time

Soundin' hopeful but it's making me cry

Love is a mystery

Mr. Curious, come back to meMr. Waiting, ever patient can't you see

That I'm the same, the way you left me?

In a hurry to spell check me

And I'm underlined already in envy green and pencil red

And I've forgotten what you've saidWill you stop working for the dead

And return Mr. Curious, well, I need some inspiration

It's my birthday and I cannot find no cause for celebration

The scenario is grave but I'll be braver when you save me

From this situation laden with hearsayI'm looking for love this time

Soundin' hopeful but it's making me cry

And love is a mystery

Mr. Curiosity, be Mr. Please, do come and find me

Oh, find, find me, find me [Incomprehensible]I'm looking for love this time

Soundin' hopeful but it's making me cry

Tryin' not to ask why

'Cause love is a mystery

Mr. Curiosity, be Mr. Please, do come and find meLove is blindin' when the timing's never right

Oh, who am I to beg for difference

Findin' love in just an instant

Well I don't mind, at least I've tried

Well I tried, I tried
