## **Mr.** Curiosity

## Jason Mraz

Hey, Mr. Curiosity Is it true what they've been sayin' about you? Are you killin' me? You took care of the cat already And for those who think it's heavy Is it the truth or is it only gossip?Call it mystery or anything Just as long as you'd call me, I sent the message on Did you get it when I left it? See this catastrophic event It wasn't meant to mean no harm But to think there's nothing wrong is a problemI'm looking for love this time Soundin' hopeful but it's making me cry Love is a mystery Mr. Curious, come back to meMr. Waiting, ever patient can't you see That I'm the same, the way you left me? In a hurry to spell check me And I'm underlined already in envy green and pencil red And I've forgotten what you've saidWill you stop working for the dead And return Mr. Curious, well, I need some inspiration It's my birthday and I cannot find no cause for celebration The scenario is grave but I'll be braver when you save me From this situation laden with hearsayI'm looking for love this time Soundin' hopeful but it's making me cry And love is a mystery Mr. Curiosity, be Mr. Please, do come and find me Oh, find, find me, find me [Incomprehensible]I'm looking for love this time Soundin' hopeful but it's making me cry Tryin' not to ask why 'Cause love is a mystery Mr. Curiosity, be Mr. Please, do come and find meLove is blindin' when the timing's never right Oh, who am I to beg for difference Findin' love in just an instant Well I don't mind, at least I've tried Well I tried, I tried
