

Love

The Brian Jonestown Massacre

If I thought I knew the reason
Why I've gone and fallen
In love with you?
You're the one thing I believe in
And I know quite well
What I've got to do
First you say, it's okay
Then you say, there's no way
Then I'm making love to you
You're the one thing I believe in
And know it's time 'cause
I've got to tell you
My love is like a flower
Daisies are always free
Pulling out the petals
I wonder if you love me?
Love, love me, love me
If I thought, I knew the reason
Why I've gone and fallen
In love with you?
You're the one thing I believe in
And I know, it's time because
I've got to tell you
