

It's Alright

Twin Peaks

Told you once about your friends and neighbors, they were always seeking but they'll never find it. It's alright, it's alright. Where to go in and where to see it's always been that way. It can never be, it's alright. It's alright. Give it all and ask for no returning, very soon you'll see and you'll begin to love. It's alright, it's alright. (ooooh oooh oooooh). (It's alright, it's alright). Don't you know that it's so good for you, you can be making love, see it all for you? It's alright, it's alright. Told you once about your friends and neighbors, they were always seeking but they'll never find it. It's alright, it's alright. (oooh oooh oooh) (It's alright, it's alright, it's alright, it's alright).
