## Flobots

I know how to rip a mike different  
I grip it like so  
Tight like a kryptonite with a bike pole  
Sparks from my lips ignite liquid nitro  
No telling if it might blow  
The environments' gotta be hotter  
Than solder beside the iron  
Zinc vitamins  
Hide'em inside when i'm writing the rhymes  
It's hard to keep property guarded  
Because of these pirates I motivate  
No debate  
We're takin it over  
Make no mistake  
You're fake and there's no escape  
Cuz you got caught  
Frozen waitin for the crosswalk I can take it to another level  
Where the base is above the treble  
And your face is in double  
Evasiveness doesn't settle it  
A place and a space  
Where there's nothing to meddle with
