Neva Gave A Fuck

Kid Ink

Neva gave a fuck, prolly never will
Rollin, ridin til the muhfuckin wheels fall off
Yea, I be in this muhfucka still
Ballin bitch this ain't no muhfuckin drill
Call it Kid Ink baby, if you ain't know that
Niggas tryna still my swag need a low jack
Walkin round this bitch no shirt like Conan
Leanin off the codine, thats why I'm movin slowly
So sorry for the trouble baby, drop it like a fumble
And I'ma make it rain feel like spring in the summa
Hell naw it ain't nothin goin in like a button
Wait a second, you hear me buzzin?

Bitch you know I neva gave a fuck, neva neva gave fuck
No I neva gave a fuck, prolly neva will
You know I neva gave a fuck, neva neva gave a fuck
No I neva gave a fuck, prolly neva will

Shawty on my dick, tryna cop a feel
Better cuff yo chick, goin for the steal
She been lookin at a nigga like a muhfuckin meal
Been signin titties all night still I wont sign a deal
Yea, tell me what you know bout
Tryna keep it real but my show already sold out
Uh, white girls everywhere I go now
Party over here but we can take it to the house
Shawty ring my bell, can't knock my hustle
Its alumni batgang bitch to the rubble
Know you see me in here, HD we clear
With my middle finger up in the air

Bitch you know I neva gave a fuck, neva neva gave fuck
No I neva gave a fuck, prolly neva will
You know I neva gave a fuck, neva neva gave a fuck
No I neva gave a fuck, prolly neva will

(Bitch I got a....)

Man of my city, LA is the home
Niggas ran to my city when they seen that we was on

Hold up, just touched down know you hear me on the radio
First time here but your girl we already know
I had these bitches at my table back at lunch
Now I got a couple bottles same bitches back in front
Somebody bring the bartender back at once
I'ma need a lil more, tell em how it go

Bitch you know I neva gave a fuck, neva neva gave fuck
No I neva gave a fuck, prolly neva will
You know I neva gave a fuck, neva neva gave a fuck
No I neva gave a fuck, prolly neva will

(Bitch I got a....)
