Santa Claus Is Coming To Town

Slade

You'd better watch out, you'd better not cry
You better not pout, though I'm telling you why:
Santa Claus is coming to town
Santa Claus is coming to town
Santa Claus is coming to town

He's making a list, he's checking it twice
He's gonna find out whose been naughty or nice

You'd better watch out, you'd better not cry
You better not pout, though I'm telling you why:
Santa Claus is coming to town
Santa Claus is coming to town
Santa Claus is coming to town

He sees when you are sleeping
And he knows when you're awake
He knows if you've been bad or good
So be good for goodness sake

You'd better watch out, you'd better not cry
You better not pout, though I'm telling you why:
Santa Claus is coming to town
Santa Claus is coming to town
Santa Claus is coming to town

He sees when you are sleeping
And he knows when you're awake
He knows if you've been bad or good
So be good for goodness sake

You'd better watch out, you'd better not cry
You better not pout, though I'm telling you why:
Santa Claus is coming to town
Santa Claus is coming to town
Santa Claus is coming to town
