The Seven Seas

THE BAWDIES

I searched the seven seas
To find a queen for me
So many years alone, 'til I met you girlAcross the seven seas
You're the only one for me
You'll be my only queen, for the rest of timeBut you said to me that you needed some time
And you didn't know what would come tomorrow
All I want is for you to see
That right now, it feels so goodI wanna be with you, I wanna be with you
Baby, we'll be happy forever and ever
Seven days a week, everyday just you&me
We'll sail the seven seas
Babe, just you and me
Until we find a land we can call our ownEverything you need, it's with me
Everything you do, with you I'll be
It's true, it's true
Oh I'm so in love with youBut you said to me that you needed some time
And you didn't know what would come tomorrow
All I want is for you to see just how much you mean to me
'Cause right now, it feels so goodI wanna be with you, I wanna be with you
Baby, we'll be happy forever and ever
Seven days a week, everyday just you&meI wanna be with you, I wanna be with you
Baby, oh you don't have to worry
Seven days a week, everyday just you&me
I will never lie to you
I'll always be with you
I will never lie to you
I'll always be with you
