

# Baby You Are

## Uncle Sam

I heard you when you cried  
And gave a quiet sigh  
You don't need another tear to fall  
You don't need him at all  
You don't know how much you mean  
You mean the world to me  
In my sky you are the star  
Baby, baby you are  
Baby you are my Cinderella  
Baby you are my love forever  
You're the kind of girl I thought I'd never have  
Baby you are my dream come true  
And my happiness is you  
You're a star  
Baby, baby you are  
It's not easy on the heart  
When a love has come and gone  
But I'll help you dry your tears  
And I'll nurse your broken heart  
The funny thing about love  
Is it can never be denied  
So won't you let me be your anchor hold  
And I'll guide you through the night  
And if you should ever fall  
I will hold you strong and tall  
You're a star, baby you are  
Baby you are my Cinderella  
Baby you are my love forever  
You're the kind of girl I thought I'd never have  
Baby you are my dream come true  
And my happiness is you  
You're a star  
Baby, baby you are
