

# All the Way (feat. Kwabs)

[Denai Moore](#)

In the darkest hour of the day  
Do you have my full, my full attention  
As the final moment slips away  
Are you hearing all of my questions?  
Said, "How come nothing seems to be enough?"  
Can there ever really be too much to say?'Cause maybe it starts where it ended  
Maybe there's to come?  
They say, "Be careful with your heart"  
All the way, all the way  
In the darkest hour of the day  
Do you have my full, my full attention  
As the final moment slips away  
Are you hearing all of my questions?  
How come nothing seems to be enough?  
Can there ever really be too much to say?  
'Cause maybe it starts where it ended  
Maybe there's to come?  
They say, "Be careful with your heart"  
All the way (all the way)  
All the way (all the way)'Cause maybe it starts where it ended  
Maybe there's to come?  
They say, "Be careful with your heart"  
All the way (all the way)  
All the way (all the way)'Cause maybe it starts where it ended  
Maybe there's to come?  
They say, "Be careful with your heart"  
All the way, all the way  
All the way, all the way  
'Cause maybe it starts where it ended  
Maybe there's to come?  
They say, "Be careful with your heart"  
All the way, all the way
