Sado

The Deadlights

Please forgive me if I've seemed distant till now
But I can't seem to keep myself satisfied unless I'm hurting you
Give me control
All that is left of you i can distort somehow
And you are just an effigy of yourself
So who am I to blame if I want more?
Look in my eyes
I'm so alone
Why don't you give me something I can call my own?
I'll take my time
I'll demonstrate where i draw the line between love and hate
I burn inside
Thought you should know why don't you show me just how low you can go
Seems so insane
These things we do just so that I can pass the time I waste on you beg
