

Summer Nights

Van Halen

Hey
Oh yeah Ain't no way I'm sittin' home tonight
I'll be out until the mornin' light
Just a hangin' 'round in the local parkin' lot
Oh, checkin' out all the girls, see what they got Yeah they love it, when me an' the boys
Wanna play some love with them human toys
We wind 'em up n' let 'em go
Whoa! oh yeah, whoa yeah, woo Summer nights and my radio
Well that's all we need, baby, don'tcha know?
We celebrate when the gang's all here
Ah, hot summer nights, that's my time of the year We made it through the cold
And that freezin' snow is gettin' old, hey
Next year I'll head out for the coast
Whaddya say boys, that might just call for a toast, now whaddya say? I got a line, you got a pole
I'll meet you down at the old fishin' hole
Them girls are bitin' good tonight
Ow! uh-oh! Whoa yeah Summer nights and my radio
Well that's all we need, baby, don'tcha know?
We celebrate when the gang's all here
Hot summer nights, you're my time of the year (Ahh summer nights)
You wanna talk about love?
(Ahh summer nights)
In the heat of the summer
(Ahh summer nights)
Well let's talk about love
(Ahh summer nights)
On a hot summer night, hey
In the heat of the summer
Well let's talk about love on a hot summer night, hey
