Joanna

Anna Aaron

Im out of defenses
the most expensive feeling I buy
from Madonna Mary she says shes a fairy
Ill crawl or Ill fly
Isnt it a danger you so much love to fight
Joanna came running
head in my pocket ring on a chain
how am I ever gonna gonna feel safer
safer than this
Isnt it a danger you so much love to fight
The world makes me impatient
I wish I was pregnant with thunder and storm
it all came in a moment my body exploded
it all changed its form
