## Skinny Puppy

Death feels like the butterfly
Can't escape the scarred lie
Real relationships must die
Underneath a scarred lieWe globalize the others lies
We sanctify the great disguiseWhat if change gate
Don't watch it show your shapeDesperate in death
Death will tell them
Death will kill them
Death will tellFirst everything must recede
Then all will tell us to fear
And hear the sullen respite clears
Into a time never wanted here
We globalize the others lies
We sanctify the great disguise
We globalize the others lies
We sanctify the great disguiseReach through a life's test own
Being the worm crawling throughDeath feels like a butterfly
Can't escape the scarred lie
Real relationships must die
Underneath a scarNow I'll break on tonight
I'll escape light light
I'll escape one tonight
Gravitate slice slice
On the voice I reunite it's nothing at all
Once divided other sticks all through the eyes of blue
Reach through a life's test own
Being the worm crawling throughI'll escape, one tonight
Gravitate slice slice
I'll escape, one tonight
Gravitate slice slice
