

You're the One

Buddy Holly

A-you're the one that's a-causing my blues

 You're the one I don't want to lose

 You're the one that I'd always choose

You're the one that's a-meant for meA-you're the one that I'm thinking of

 You're the one that I'll always love

 You're the one sent from heaven above

You're the one that's a-meant for meSometimes you make me feel so bad

 You make me cry deep in my heart

 I feel like an actor in a play

Who doesn't fit the partA-you're the one and I want you to know

 You're the one that thrills-a me so

 You're the one, I can't let you go

You're the one that's a-meant for meSometimes you make me feel so bad

 You make me cry deep in my heart

 I feel like an actor in a play

Who doesn't fit the partA-you're the one and I want you to know

 You're the one that thrills-a me so

 You're the one, I can't let you go

You're the one that's a-meant for me
