

This Is Southland

Bob Wills & His Texas Playboys

This is Southland, it just can't be beat
So take a trip to see what we know is heaven
And you'll have yourself a treat
Yes this is Southland, where everything's fine
It's where they really live and give you a feeling
That you're welcome any time
You'll find our men are stronger, women sweeter
And you'll live much longer, no rush every day
So what do you say?
Come on, and grab a train or plane
And head yourself our way
For the south is here to stay
Yes, this is Southland, it's Southland
It just can't be beat
So take a trip to see what we know is heaven
And your have yourself a treat
