

In Your Wildest Dreams

Reverend Horton Heat

Late at night, and you're sleeping,
You'll hear my lonesome call,
And you'll feel my waiting lips
Barely touching you at all But it's only as real
As any dream can seem
I'll see you,
In your wildest dreams A thousand miles,
Though I may be now,
I'm before you on my knees. But a million miles can't erase,
The love you had for me.
A million miles it seems,
But you can feel my love light beam,
I'll see you in your wildest dreams. I'll see you,
You'll see me as though I were real
I'll see you,
You'll see me as though you could feel My breath on your neck
The touch of my hand
You'll awake in a room of steam
I'll see you in your wildest dreams. I'll see you,
You'll see me as though I were real
I'll see you,
You'll see me as though you could feel My breath on your neck,
The touch of my hand,
You'll awake in a room of steam,
I'll see you in your wildest dreams. In your wildest dreams,
In your wildest dreams,
In your wildest dreams!
