

So What?!

The Eyeliners

I can tell that you've got something to say
Don't wanna hear it, but you'll tell me anyway
Your lips are moving but i'm not listening to you And i say so what if i'm not perfect
And i make a few mistakes
So what if i talk too much
And make your head ache
So what if what i say and do
Are just not always clear
So What?! I have a flair for getting myself in a mess
Sometimes i stick my foot in my mouth i must confess
These things i already know
So please don't tell me again And so what if i'm late 'cause i can't get out of bed
So what i f get into things
That are way over my head
So what if i drive you crazy
'cause i just don't make sense
So what?!
