

It's In Everyone Of Us

The Hollies

It's in everyone of us to be wise
Find your heart, open up both your eyes
We can all know everything
Without ever knowing why
It's in everyone of us, by and by
It's in everyone of us to be wise
Find your heart, open up both your eyes
We can all know everything
Without ever knowing why
It's in everyone of us, by and by
It's in everyone of us I just remembered
It's like I've been sleepin' forty years
I'm not awake as I can be but my seein's better
I can see, through the tears
I've been realisin' bad, I bought this ticket
And watching only half of the show
But there is scenery and lights
And a cast of thousands, you all know what I know
And it's good that it's so
It's in everyone of us to be wise
Find your heart, open up both your eyes
We can all know everything
Without ever knowing why
It's in everyone of us, by and by
It's in everyone of us, by and by
