Be Good To Each Other

Phil Stacey

May the road rise to meet us
Wind always be at our back
As we follow our dreams
May our hearts ever lead and not lose track
May we smile at the end of the day
May we always find a way
To be good to each other
To be good to each other
Well, there's already plenty of pain
In this world to last for years
Yeah, just look out any window
There's heartache and sorrow and tears
It's easy to see what we need
Now really how hard could it be
To be good to each other
Yeah, be good to each other
We could try a little tenderness
Yeah, and see how we like it
It just might bring out our very best
If we keep love in sight
And be good to each other
Yeah, be good to each other
La, la, la, la, la, la, la, la
Oh whoa, oh whoa
La, la, la, la, la, la, la, la
Oh whoa, oh whoa
I'm sorry for times
When I've added fire to the fuel
For the times when I've hated
Been bitter and jaded and cruel
We get what we give in return
Maybe as we live we will learn
To be good to each other
To be good to each other
We could try a little tenderness
Yeah, and see how we like it
It just might bring out our very best
If we keep love in sight
And be good to each other

Yeah, be good to each other
La, la, la, la, la, la, la, la
Oh whoa, oh whoa
La, la, la, la, la, la, la, la
Oh whoa, oh whoa
Be good to each other
Yeah, be good to each other
Oh, be good to each other
Yeah, be good to each other
Oh, be good to each other
Be good to each other
Oh, be good
