

# Big Branch

M.I.A.

Big bad wolf came over to my ranch  
Took all my land, left me with a branch  
That's how I feel about the loving that I had  
That's I know about the girls he had Bring her to my door now, bring me that ho  
I put her on the table and put her in my claw  
I'll put her down my jaw to my belly, to my toe  
I'll shit on that ho and I drop her to the floor Big, big, big branch, big branch  
I'll hit her with the motherfucking branch  
Big, big, big  
I'll hit her with the motherfucking branch Men are like pearls, they look good with my curls  
I string em to get the best necklace in the world  
In the states of the world all women wanna lay  
But it's man's world but I keep him at bay You can fuck a man, mack a man  
Tell 'em that you're gay, tell him real love ain't on bet  
Sex is so cheap, I get it at KFC  
When its meaningless why they do R&B Bring her to my door now, bring me that ho  
I put her on the table, I, and put her in my claw  
I'll put her down my jaw to my belly, to my toe  
I'll shit on that ho and drop her to the floor Big, big, big branch, big branch  
I'll hit her with the mother fucking branch  
Big, big, big I ate my chips and I washed that plate  
Thought about women that take that bait  
Men with stamina or money on the plate  
Can get a woman thinking her period is late Thanks to Jesus, I got my own estate  
If I let you in, will you run off with my maid?  
All men are just so fickle these days  
To find a really good one, I keep on getting laid Bring her to my door now, bring me that ho  
I put her on the table and I put her in my claw  
I'll put her down in my jaw to my belly, to my toe  
I'll shit on that ho and drop her to the floor Big, big, big branch, big branch  
I'll hit her with the mother fucking branch  
Big, big, big
