

Shame and Fortune

Yeah Yeah Yeahs

Shame is soft and safe
Lose when I play your game
Come if you call my name
Lose when I play your game You got an attitude
You, you've got a way All fortune on the floor
All fortune on the floor
All fortune on the floor
All fortune on the floor Shame is soft and safe
Lose when I play your game All fortune on the floor
All fortune on the floor
All fortune on the floor
All fortune on the floor
