Butterfly

The Verve

You could flap you wings a thousand miles away
Butterfly
A laughing salesman sings
His world so far away
ButterflyButterfly (repeat)You could take the storm away forever every day
'Cause you're mine
And I don't know what to say
You could let my smile disappear for a year
'Cause you're mine
That's the only way I like it to beButterfly (repeat)Now we get to the best part
It happens all the time, telling me all your lies
You get your kicks from seeing me on the floor
Tied to your bed
Tied to the things you said
Butterfly coming back
Butterfly coming backButterfly
