A Thousand Years (Part 2)

Christina Perri

The day we met
Frozen, I held my breath
Right from the start
I knew that I found a home for my
Heart beats fast
Colors and promises
How to be brave
How can I love when I'm afraid to fall
But watching you stand alone
All of my doubt suddenly goes away somehowOne step closerI have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years
I'll love you for a thousand moreTime stands still
Beauty in all she is
I will be brave
I will not let anything take away
What's standing in front of me
Every breath
Every hour has come to thisOne step closerI have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years
I'll love you for a thousand moreAnd all along I believed I would find you
Time has brought your heart to me
I have loved you for a thousand years
I'll love you for a thousand moreI'll love you for a thousand moreOne step closerI have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years
I'll love you for a thousand moreAnd all along I believed I would find you
Time has brought your heart to me
I have loved you for a thousand years
I'll love you for a thousand more
