

Don't Dream It's Over

[Susan Boyle](#)

There is freedom within
There is freedom without
Try to catch the deluge in a paper cup
There's a battle ahead
Many battles are lost
But you'll never see the end of the road
While you're traveling with meHey now, hey now
Don't dream it's over
Hey now, hey now
When the world comes in
They come, they come
To build a wall between us
We know they won't winNow I'm towing my car
There's a hole in the roof
My possessions are causing me suspicion but there's no proof
In the paper today
Tales of war and of waste
But you turn right over to the TV pageHey now, hey now
Don't dream it's over
Hey now, hey now
When the world comes in
They come, they come
To build a wall between us
We know they won't win
