

# Money (feat. Kah-Lo, Mr Eazi & Davido)

## Riton

Everybody wants money, money  
To live in a location sunny, sunny  
But that life ain't funny for me, for me  
Cause I don't need that much money, money  
See the thing about money, money  
Soon as you get it everybody wants it  
But that life just ain't for me  
Cause the best things in life are free (alo, alo)  
Everybody wants money, money  
To live in a location sunny, sunny  
But that life ain't funny for me, for me  
Cause I don't need that much money, money  
See the thing about money, money  
Soon as you get it everybody wants it  
But that life just ain't for me  
Cause the best things in life are free (alo, alo)  
I need that money, money  
So I can keep myself fleeky, fleeky  
If I want it, I got it  
So trips to Capri is nothing, nothing  
See the thing about money, money  
Is I'm a fly girl who needs everything  
But you keep on telling me  
That the best things in life are free  
I don't agree  
Money come, money go  
Money come, money go  
Money come, money go  
Money come, money go  
You be acting funny (no way)  
When there is no money (no way)  
Thought you were my honey (no way)  
Really thought you loved me 'yar (no mula, no love)  
But you want my money  
Baby, shake your body  
I will give you money  
I will make you happier  
I need that money, money  
So I can keep myself fleeky, fleeky  
If I want it, I got it  
So trips to Capri is nothing, nothing
