

Sopor Joe

Guided By Voices

Sopor Joe you oughta know how to move fast and how to move slow
Sopor Joe you always see how to be a slave and how to be free
bellyache Sam thinks that she am
but I've got sleep on that creep
how in the hell, how in the hell
are you going to roam and make it on home and make it on home yeah
sleep with all the people that you know
like Sopor Joe escort big and wear a wig
drinking in a show
can sure fall ??
Sopor Joe now you know that this is the time to bring it on home
bring it on home yeah
sleep with all the people that you know, like Sopor Joe
