

# Break On Through

## The Doors

You know the day destroys the night  
Night divides the day  
Tried to run  
Tried to hideBreak on through to the other side  
Break on through to the other side  
Break on through to the other side, yeahWe chased our pleasures here  
Dug our treasures there  
But can you still recall  
The time we cried?Break on through to the other side  
Break on through to the other sideEverybody loves my baby  
Everybody loves my baby  
She get, she get  
She get, she get highI found an island in your arms  
Country in your eyes  
Arms that chain  
Eyes that lieBreak on through to the other side  
Break on through to the other side  
Break on through, auh, oh, yeahMade the scene, week to week  
Day to day, hour to hour  
The gate is straight  
Deep and wideBreak on through to the other side  
Break on through to the other side  
Break on through, break on through  
Break on through, break on through  
Hey hey hey hey  
Hey hey hey hey hey
