General TK

Ooh, Puerto Rico
Toma
Pronto llegara
El dia de mi suerte
Te lo juro por mi gente
Te juro que un dia llegara
And we won't stop
We always knew we'd make it
Even though you player hated
We still made it to the top
Puerto Rock Puro, not Menudo, no, I'm not the one
I'm studyin' Judo, you don't know if I got a gun
It's Pun, from the X side of things, baguette inside my rings
Everything I want I gets, bada-bing
It's mine I Shyne like money that sound like Biggie
Fuck around my town, boogie down my city
Come around get pound to the ground no pity
Watch the sound, fo' pound twenty round milli'
Get smacked silly for coming out your mug
I'm known for bouncin' thugs from the tunnel to the salsa clubs
Don't matter, put the chrome to your bladder
Splatter your abs, have you pissin' in a plastic bag
That's a drag now you abnormal
Don't make me go out to rumble
And put some motherfuckin' stabs on you
The night is young and I'm already fightin', hidin' my gun
Promoter buggin', screamin', "Who the fuck invited Pun?"
Pronto llegara
El dia de mi suerte
Te lo juro por mi gente
Te juro que un dia llegara
And we won't stop
We always knew we'd make it
Even though you player hated
We still made it to the top
From San Juan to Bayamon, I'm the Don Juan beside the Don
Live long, get your party on
Don't let the liquor fool you 'cause I'll stick it to you
Somethin' sharp to the heart or somethin' big to move you

The Desert or the shottie, whateva you the body
That chose to be the dumb nigga at the party

Too much Bacardi started speakin' dumb
Then you tried to snuff Joe, must have been Puerto Rican rum
That's the hardcore, two years a sophomore
Takes years to earn a pair of Terror Squad balls
So get lost or take one, bones I break them
Pigs are bacon, so get fried if they come
You see that? I'm like G. Rap, 'Pac, Master P
All balled up with a twist of Marc Anthony
Recognize me I'm the one that's cockin' the auto
Tony Sunshine please canten el coro
Pronto llegara
El dia de mi suerte
Te lo juro por mi gente
Te juro que un dia llegara
And we won't stop
We always knew we'd make it
Even though you player hated
We still made it to the top
It ain't over
I thought you ain't like the beat
Te digo que no se ha acabao
La tierra del Borinquen donde nacido yo
Aha, aha, ah, aha
Es un jardin florido de magico primor
Aha, aha, aha, aha, aha, aha, aha
Un cielo siempre nitido, que sirve de dosel
Y dan arrullos placidos, las olas a sus pies
Pronto llegara
El dia de mi suerte
Te lo juro por mi gente
Te juro que un dia llegara
And we won't stop
We always knew we'd make it
Even though you player hated
We still made it to the top
A Puerto Rico
A Puerto Rico
A Puerto Rico
A Puerto Rico
A Puerto Rico
