

No Good for Me

The Corrs

I see a home in a quiet place
I see myself in a strong embrace
And I feel protection from the human race
It's not parental
But it's a fantasy, not a reality
And it's no good, no no good for me you have no idea That I'm walking through the clouds
When you're looking at me
I'm feeling like a child
Vulnerability
I am shaking like a leaf if you move beside me
And you're all that I see
But it's no good for me You have a home (you have a home) in a quiet place
And someone else feels your strong embrace
She is protected and she needs no chase
And do you love her
You're a mystery, you are the heart of intrigue
You're no good, no no good for me
That you have no idea That I'm walking through the clouds
When you're looking at me
I'm feeling like a child
Vulnerability
I am shaking like a leaf if you move beside me
And you're all that I see
But it's no good for me No it's no good for me, yeah
No good for me
It's so make-believe
You have no idea That I'm walking through the clouds
When you're looking at me
I'm feeling like a child
Vulnerability
I am shaking like a leaf if you move beside me
And you're all that I see
But it's no good for me
No good, no good Through the clouds
When you're looking at me
I'm feeling like a child
Vulnerability
I am shaking like a leaf if you move beside me
And you're all that I see

But it's no good, it's just no good for me
