

Somewhere Between

Alvarez Kings

Somewhere between here and there
I found you
I found you
Somewhere between here and there
I can say my love is true
My heart belongs to you Say you say right
But don't say no, you won't try
You won't try
Say you say right
But don't say no, you won't try
You won't try
Somewhere between tears that fell
I found you
I found you
Somewhere between fear and hell
I'd walk through the fires for you
I'd walk through the fires for you Is it the fear for your heart?
The fear of a broken heart?
Is it the fear for your heart?
The fear of a broken heart? Say you say right, it's right
But don't say no, you won't try
Say you say right
But don't say no, you won't try
But don't say no, you won't try
Is it the fear for your heart?
The fear of a broken heart?
Is it the fear for your heart?
The fear of a broken heart?
Is it the fear for your heart?
The fear of a broken heart?
Is it the fear for your heart?
The fear of a broken heart? Say you say right, it's right
But don't say no, you won't try
But don't say no, you won't try Is it the fear for your heart?
The fear of a broken heart?
Is it the fear for your heart?
The fear of a broken heart?
Is it the fear for your heart?
The fear of a broken heart?

Is it the fear for your heart?
The fear of a broken heart?
Is it the fear for your heart?
The fear of a broken heart?"It's way too, it's way too soon"
Don't say no, you won't try
"It's way too, it's way too soon"
Don't say no, you won't try
