

Don't Be Good

[Chantal Kreviazuk](#)

Do do do, do do do
Do do do, do do I don't know when you learn it
But when you learn it you learn it fast
They're the ones who love to learn
And they're not fast they're nice guys they finish last They're waiting and wondering
Where did I go wrong? Don't be good, don't be good
Don't be good to me
Don't be good, though you should
That won't work you see Do do do, do do do
Do do do, do do Well I don't know when I learned it
But when I learned it I learned it fast
They're the ones that love to love me
They're not fast they're nice guys they finish last Waiting and wondering
Wondering where did I go wrong Don't be good, don't be good
Don't you be good to me
Don't be good, though you should
That won't work for me Waiting and wondering, waiting and wondering
Wondering where did I go wrong
They're waiting and wondering
Waiting and wondering, wondering Waiting and wondering
Wondering where did I go, oh Don't be good, don't be good
Don't be good to me
Don't be good, though you should
That won't work, you see Don't be good, don't be good
Don't you be good to me
Don't be good, though you should
That won't work, you see So don't be good to me, don't be good to me
Don't be good to me, good to me
Good to me, good to me, good to me
You're so good for me, good for me, good for me
