

# Stay

Victor Wooten

## Stay

Send me 'round to the back door. Front won't let me in  
It's hard to keep being peaceful when these kind of days don't  
end

Things will get better tomorrow, at least that's what they say  
But when I wake up in the morning it still looks like today

If I could fly away I'd fly up to the sky, no one to ask me why  
I would be so free. Just carry me away

I guess I'll stay, help U find another way  
No vacation, no holiday. I guess I'll do that another day

Can't get in through the front door. Send me 'round the back  
It's hard to keep being peaceful with stuff going on like that  
Ain't got no one to talk to. Talking just to me  
See U in the future. I don't know where I'll be

If I could fly away I'd fly up to the sky, no one to ask me why  
I would be so free. Just carry me away

I guess I'll stay, help U find another way  
No vacation, no holiday. I guess I'll do that another day
