Gossip

Vanessa Amorosi

- I can't find my phone. Hello?
Yeah, yeah, yeah, yeah x2
Remember my name and look me up,
I got Facebook and Twitter we could link up,
I don't read, the rumors and what they say,
'Cuz i'm a pretty normal person in every way.
I'm giving you my name just write it down,
Or we could take a pretty picture of me now,
I think you'd be surprised by all my friends,
And all the videos of me 'cuz i like to dance,
Rumors written on your page,
Facebook bitches that you hate,
Misconception of your words,
Bad is good haven't you heard?
It's just Gossip
(Yeah x4)
It's just Gossip
(Yeah x4)
It's Gossip
(Yeah x4)
It's just Gossip
(Yeah x4)
Things get cut, and blocked out,
But they're the things that really matter that get left out,(Oooh)
Such an addiction, running through my head,
All ways gotta find myself some new best friends.
I'm giving you my name just write it down,
Or we could take a pretty picture of me now,
I think you'd be surprised by all my friends,
And all the videos of me 'cuz i like to dance,
Rumors written on your page,

Facebook bitches that you hate,
Misconception of your words,
Good is bad haven't you heard?
It's just Gossip
(Yeah x4)
It's just Gossip
(Yeah x4)

It's Gossip
(Yeah x4)
It's just Gossip
(Yeah x4)
Gossip, Gossip, It's Gossip
I-I-I know you don't believe the thing you read.
Rumors written on your page,
Facebook bitches that you hate,
Misconception of your words,
Bad is good haven't you heard?
It's just Gossip
(Yeah x4)
It's just Gossip
(Yeah x4)
(I'll write them my name, go and check out my page)
It's Gossip
(Yeah x4)
(It's Gossip, write about me)
It's just Gossip
(Yeah x4)
(Just write, just, just, just write)
It's just Gossip
(Yeah x4)
(Check out my page,everybody's checking out my page)
It's just Gossip
(Yeah x4)
(W W W .)
It's just Gossip
(Yeah x4)
(W W W .)
