

Doesn't Mean I Don't Love You

Trent Willmon

When I walk out on our war
The last shot fired, the slamming door
When I can't take it anymore
And I take a drive When the words that I just spoke
Are aimed straight for your throat
When I should hold you but I don't
And just turn out the lights It doesn't mean I'm done
It doesn't mean I've given up on us
It doesn't mean our love doesn't mean everything
'Cause it does It doesn't mean I'm gone
Even when I do the things
That I hate that I do
It doesn't mean I don't love you When the words you need don't cross my lips
When I forget a goodbye kiss
When you feel last on my list
For the hundredth time When I'm out late with all my friends
I lose track of time and don't check in
When I'm wrong and I know I am
And don't apologize It doesn't mean I'm done
It doesn't mean I've given up on us
It doesn't mean our love doesn't mean everything
'Cause it does It doesn't mean I'm gone
Even when I do the things
That I hate that I do
It doesn't mean I don't love you More than you'll ever know
More than I let it show
Me being me, can be hard on us both It doesn't mean I'm gone
Even when I do the things
That I hate that I do
It doesn't mean I don't love you
It doesn't mean I don't love you
