

# You Do Something To Me

[Ella Fitzgerald](#)

You do something to me  
Something that simply mystifies me  
Tell me, why should it be?  
You have the power to hypnotize me  
Let me live 'neath your spell  
Do do that voodoo that you do so well  
For you do something to me  
That nobody else could do  
Let me live 'neath your spell  
Do do that voodoo that you do so well  
For you do something to me  
That nobody else could do  
That nobody else could do
