The Other Part

House of Large Sizes

Hey!
Well tell me how ya been?
I see I see I see well that's too bad
Say, what?
It's hard to beleive
I'd love to chat, here comes the other part
Hey!
You son of a bitch!
Moms and dads and parents, teachers, all
I'd like to see I'd like to try I'd like to be
Here it is
The other part
Hey!
Well just a little bit
Poverty, emergency, (?) dependency
I'd like to try, I'd like to say, I'd like to be
Guess what?
The other other part
Ouuuuw!
Hey!
Well tell me how ya been?
I see I see I see well that's too bad
Say, what?
It's hard to beleive
I'd love to chat, here comes the you-know-what
Hey!
..... Buddy.
