It's a Man's World

Concrete Blonde

It's a man's, man's, man's, man's world
But it wouldn't be nothing
Without a woman or a girl
Man made the carsTo take us over the road
Man made the trains
To carry his manmade load
Man has made everythingThat he possibly can
He's busy making money
To buy from other men[Chorus]
Man made the electric light
To take us out of the dark
Man made the boats on the water
They say Noah made the Ark
You man have made everythingThat you possibly can
You're so busy making money
To buy from other men[Chorus]Lost
Well, he's lost
In his wilderness
Well, he's lost
Lost in his bitterness[Chorus]Man said he love the little bitty baby girls
And the little bitty baby boys
Tries so hard to make them happy
With his man made toysMan's making everything
That he possibly can
Busy making his almighty money
To buy from other men[Chorus]
