

# Wavin' Flag (Coca-Cola Celebration Mix)

[K'naan](#)

Give me freedom, give me fire  
Give me reason, take me higher  
See the champions take the field now  
You define us, make us feel proud In the streets our heads are liftin'  
As we lose our inhibition  
Celebration, it surrounds us  
Every nation, all around us Saying forever young  
Singing songs underneath the sun  
Let's rejoice in the beautiful game  
And together at the end of the day, we all say When I get older I will be stronger  
They'll call me freedom just like a wavin' flag  
When I get older I will be stronger  
They'll call me freedom just like a wavin' flag So wave your flag, now wave your flag  
Now wave your flag Give you freedom, give you fire  
Give you reason, take you higher  
See the champions take the field now  
You define us, make us feel proud In the streets our heads are liftin'  
As we lose our inhibition  
Celebration, it surrounds us  
Every nation, all around us Saying forever young  
Singing songs underneath the sun  
Let's rejoice in the beautiful game  
And together at the end of the day, we all say When I get older I will be stronger  
They'll call me freedom just like a wavin' flag  
When I get older I will be stronger  
They'll call me freedom just like a wavin' flag So wave your flag, now wave your flag  
Now wave your flag, now wave your flag  
Now wave your flag, now wave your flag  
Now wave your flag We all say, when I get older I will be stronger  
They'll call me freedom just like a wavin' flag  
When I get older I will be stronger  
They'll call me freedom just like a wavin' flag So wave your flag, now wave your flag  
Now wave your flag, now wave your flag  
Now wave your flag, now wave your flag  
Now wave your flag And everybody will be singing it  
And we all will be singing it
