

No Easy Way Out (Bonus Track)

Bullet for My Valentine

We're not indestructible
Baby, better get that straight
I think it's unbelievable
How you give into the hands of fate Some things are worth fighting for
Some feelings never die
I'm not asking for another chance
I just wanna know why There's no easy way out
There's no shortcut home
There's no easy way out
Giving in can't be wrong I don't wanna pacify
I don't wanna tear you down
But I'm feeling like a prisoner
Like a stranger in a no-name town I see all the angry faces
Afraid that could be you and me
Talking about what might have been
Thinking about how it used to be There's no easy way out
There's no shortcut home
There's no easy way out
Giving in can't be wrong Baby, baby, we can shed this skin
We can know how we feel inside
Instead of going down this endless road
Not knowing if we're dead or alive Some things are worth fighting for
Some feelings never die
(Never die)
I'm not asking for another chance
I just wanna know why There's no easy way out
There's no shortcut home
There's no easy way out
Giving in, giving in can't be wrong, no There's no easy way out
(There's no easy way out)
There's no shortcut home
(There's no shortcut home)
There's no easy way out
(There's no easy, no easy, no easy way out) There's no easy way out
(There's no easy way out)
There's no shortcut home
(There's no shortcut home)
There's no easy way out
(There's no easy, no easy, no easy way out) There's no easy way out

There's no shortcut home
There's no easy way out
Giving in, giving in can't be wrong, no
