

# Wait

## Johnny Depp, Helena Bonham Carter

Wait

Mrs. Lovett(spoken)

Its not much of a chair but itll do. Was was me poor Alberts chair. Sat in it all day long he did till half his leg  
give  
out with gout.

Sweeney Todd (spoken)

Why doesnt the beadle come? Before the week is out. Thats what he said.

Mrs. Lovett (spoken)

He said before the week is out. Its only Tuesday.

(sung)

Easy now,

Hush, love, hush,

Don't distress yourself,

What's your rush?

Keep your thoughts

Nice and lush,

Wait.Hush, love, hush,

Think it through.

Once it bubbles, then

What's to do?

Watch it close.

Let it brew.

Wait.I've been thinkin' flowers,

Maybe daisies,

To brighten up the room!

Don't you think some flowers,

Pretty daisies,

Might relieve the gloom?

Ah, wait,

Love, wait.Sweeney Todd (spoken)

And the judge? When will I get to him?Mrs. Lovett (spoken)

Can't you think of nothin' else?

Always broodin' away on your wrongs  
what happened heaven knows how many years ago!

(sung)

Slow, love, slow.

Time's so fast.

Now goes quickly, see

Now it's past!

Soon will come,  
Soon will last.  
Wait.Don't you know,  
Silly man?  
Half the fun is to  
Plan the plan!  
All good things  
Come to those who can  
Wait.Gillyflowers, maybe,  
'Stead of daisies...  
I dunno though...  
What do you think?
