You wanna know what Zeus said to Narcissus  
You'd betta watch yourself  
You wanna know what Zeus said to Narcissus  
You'd better watch yourself  
You'd better watch yourself It's like a stranger had a key, came inside of my mind  
And moved all my things around  
He didn't know snakes can hear the prey  
Can't try to break the psyche down Yeah It's in my half frozen wax  
And your artillery lead  
Do you like our bed  
Do you like our bed Deep 6, 6, 6 feet deep  
Deep 6, 6, 6 feet deep It's like a stranger had a key, came inside of my mind  
And moved all my things around  
He didn't know snakes can hear the prey  
Can't try to break my psyche down It's in my half frozen wax  
And your artillery lead  
Do ya like our bed  
Do ya like our bed It's in my half-frozen wax  
And your artillery lead  
Do you like our bed  
Do you like our bed Deep 6, 6, 6 feet deep  
Deep 6, 6, 6 feet deep Yeah You wanna know what Zeus said to Narcissus  
You'd better watch yourself  
Wanna know what Zeus said to Narcissus  
You'd better watch yourself  
You'd better watch yourself better watch yourself Love is evil

Eros is sore  
Sin is sincere  
Sin is sincere

Deep 6, 6, 6 feet deep

You wanna know what Zeus said to Narcissus
