Angel (alternative version)

Sean Hayes

Are you an angel?
With eyes the color of the greenest blue
Could be an angel
Smallest hope in the darkest mood
Sweet, sweet angel
Hint of light in the darkest sight, Angel
Who are you?
I was out walking in despair
Gnashing my teeth and pulling my hair
The sky was closing in
Too many days on adrenaline
Looking for some way out
Loneliest ghost in a sea of doubt right when you know you're gonna drown
A hand reaches in
Are you an angel?
With eyes the color of the greenest blue
Could be an angel
Smallest hope in the darkest mood
Sweet, sweet angel
Hint of light in the darkest sight, Angel
Who are you?
