Ojos de Brujo

Om tare tuttare ture soha

Tropezando volviendo a levantarse

Sube, baja, se desliza

Cuarta dimensi3n, en feedback

Corre y frena, nada hondo

Cronometra a fondo

Sin leyes ni papeles va

Pilla directa

Lo mete a comp3s

Con el flow m3s jondo

Te viene derribando

Quinta dimensi3n

Revela, arma la vela

Baja, sube, bucea hondo

Cronometra a fondo

Sin leyes ni papeles va

Pilla directa

Lo mete a comp3s

Teyata om, becatse, becatse

Maha becatse

Radsa samung gate soha
