No Time To Think

The Belle Brigade

In death, you face life with a child and a wife
Who sleep-walks through your dreams into walls
You're a soldier of mercy, and you're cold and you curse
"He who cannot be trusted must fall"Loneliness, tenderness, high society, notoriety

You fight for the throne and you travel alone

Unknown as you slowly sink

And there's no time to thinkIn the Federal City you been blown and shown pity

In secret, for pieces of change

The empress attracts you but oppression distracts you

And it makes you feel violent and strangeMemory, ecstasy, tyranny, hypocrisy

Betrayed by a kiss on a cool night of bliss

In the valley of the missing link

And you have no time to thinkJudges will haunt you, the country priestess will want you

Her worst is better than best

I've seen all these decoys through a set of deep turquoise eyes
And I feel so depressedChina doll, alcohol, duality, mortality
Mercury rules you and destiny fools you
Like the plague, with a dangerous wink

And there's no time to thinkYour conscience betrayed you when some tyrant waylaid you

Where the lion lies down with the lamb

I'd have paid off the traitor and killed him much later
But that's just the way that I amParadise, sacrifice, mortality, reality
But the magician is quicker and his game
Is much thicker than blood and blacker than ink

And there's no time to thinkAnger and jealousy's all that he sells us

He's content when you're under his thumb

Madmen oppose him, but your kindness throws him
To survive it you play deaf and dumbEquality, liberty, humility, simplicity
You glance through the mirror and there's eyes staring clear

At the back of your head as you drink

And there's no time to thinkWarlords of sorrow and queens of tomorrow

Will offer their heads for a prayer

You can't find no salvation, you have no expectations Anytime, anyplace, anywhereMercury, gravity, nobility, humility

You know you can't keep her and the water gets deeper

That is leading you onto the brink

But there's no time to thinkYou've murdered your vanity, buried your sanity For pleasure you must now resist

Lovers obey you but they cannot sway you

They're not even sure you existSocialism, hypnotism, patriotism, materialism

Fools making laws for the breaking of jaws

And the sound of the keys as they clink

But there's no time to thinkThe bridge that you travel on goes to the Babylon girl

With the rose in her hair

Starlight in the east and you're finally released
You're stranded but with nothing to shareLoyalty, unity, epitome, rigidity
You turn around for one real last glimpse of Camille
'Neath the moon shinin' bloody and pink
And there's no time to thinkBullets can harm you and death can disarm you
But no, you will not be deceived
Stripped of all virtue as you crawl through the dirt
You can give but you cannot receiveNo time to choose when the truth must die

No time to lose or say goodbye

No time to prepare for the victim that's there

No time to suffer or blink and no time to think
