Twenty Years

Placebo

There are twenty years to go and twenty ways to know who will wear

who will wear the hatThere are twenty years to go

the best of all i hope

enjoy the ride

the medicine showAnd thems the breaks

for we designer fakes

we need to concentrate on more than meets the eyeThere are twenty years to go

the faithful and the low

the best of starts

the broken heart, the stone There are twenty years to go

the punch drunk and the blow

the worst of starts

the mercy part, the phoneAnd thems the breaks

for we designer fakes

we need to concentrate on more than meets the eyeThems the breaks

for we designer fakes

but it's you i take it's you're the truth, not iThere are twenty years to go

a golden age i know

but all will pass

will end too fast, you know There are twenty years to go

and many friends i hope

though some may hold the rose

some hold the ropeand that's the end and that's the start of it

that's the whole and that's the part of it

that's the high and that's the heart of it

that's the long and that's the short of it

that's the best and that's the test in it

that's the doubt, the doubt, the trust in it

that's the sight and that's the sound of it

that's the gift and that's the trick in ityou're the truth, not i

you're the truth,not i

you're the truth,not i
